Work Experience

Good Samaritan Society - Senior Living Certified Nursing Assistant

2017 - current

Athens, GA

- Provided resident-centered nursing care and daily living assistance including activities such as bathing, toileting, grooming, dressing/undressing, obtaining and recording vital signs, and providing psychosocial support.
- Aided residents in self-administration of medications and monitored medication supplies.
- Assisted residents in transferring, repositioning, and walking using correct and appropriate transfer techniques and equipment. Also provided range of motion and passive exercises.
- Completed tasks related to food preparation and dining, while creating a positive dining experience for residents.
- Documented the outcomes related to resident care, medication administration, behavior, activity, and diet.

University Nursing & Rehabilitation Center - Certified Nursing Aide

2015 - 2017

Athens, GA

- Assisted residents with daily living activities such as delivering meals to patients, turning and ambulating patients and providing plenty of fresh water, as well as extra nourishment between meals.
- Helped patients with personal hygiene by providing bedpans, helping with baths, shampoos, showers, and dental care.
- Made multiple rounds throughout the day to visit residents, keep them company, check their vital signs and record daily information in the resident's chart.
- Led the CNA standards task force, which ensured all CNAs adhered to professional standards and abided by federal, state and local requirements.

Education
